AUGUST 2019

PRAISE GOD FROM WHOM ALL BLESSINGS FLOW

Ever feel like God's timing is late? Or perhaps you think He just isn't in any particular hurry. This month, Pastor Dennis shares some exciting news that illustrates that when long-awaited blessings do come, we can be sure that God has been at work all along. In the end, we will be able to say with confidence "ALL blessings flow from God."

What a week, man, God is good. Sunday morning I had the great privilege of sharing with the congregation some exciting news! I got a call from an individual who wanted to talk with me privately about some matters that the Lord was bringing to this person's heart. So I went to their house and this person shared, "When the vision for the church was given back in the last Sunday in December, God started dealing with my heart about what I could do." They went on to say that they hoped that this would help, and handed me a check that paid off our present mortgage loan on the church building. I couldn't believe my eyes! My heart began to sing praises to the Lord! The person looked at me and said, "This is just between me and you because I don't want anyone thinking that I am bidding or striving for any recognition." I know great blessing and favor will continue to be shown to this individual whose heart longs to honor God with such generosity and humility. What a blessing to us as a whole Body! I got in the car and drove off and was praising the Lord. It was just an unbelievable moment.

I realize that there are some pastors that have received millions of dollars from different organizations or people regularly, so to them this might look like nothing, but to me "PRAISE GOD FROM WHOM ALL BLESSINGS FLOW!" And praise God for the faithfulness of one to do God's will in this matter. Then this past Sunday I had someone else contact me and give me a considerable donation to get some of the repairs done that we need to do. I couldn't believe my eyes again, and I began to sing in my heart, "Praise God from who all blessings flow!" What a week!

Even with both of those gifts, which are burdens lifted from my heart, (and also our budget), I realize there are still people to meet, and people to share the gospel with. Our main work is in front of us until the Lord returns. People do need the Lord! Buildings are buildings and they are useful tools that God has blessed us with, but God help us to

remember people will be the only thing that are eternally redeemed in this world that we presently live in. So let us use what God has blessed us with to reach a community for the Lord.

So in light of this happening we are going to have a celebration on AUGUST 11 with a "NOTE BURNING" and a celebration lunch. We will have a traditional fried chicken picnic (inside with AC) and allow all of you to bring sides and desserts that you want to go with it. The paying off of this building so that we are "free and clear" note that will allow us to accomplish more ministry with the money we are not using for a mortgage any longer IS definitely something to celebrate Calvary Baptist! Make plans on being here for this great celebration!

I also want to bring an important event to the attention of our CBC MEN. Our annual Calvary Men's Conference is Friday, August 23 through Saturday, August 24. This weekend is always such a great time for us men.

We will hear some stories and testimonies that will impact us, we will get to know one another better, and also get fed with some really solid preaching. Who doesn't need all these things? I know I do. Dinner begins 5:30 pm on Friday evening and also breakfast on the Saturday morning (a REAL breakfast, guys) starting a 8:00 AM. I hope our women will "strongly encourage" their men and youth-aged sons to get up and come. The cost is only \$30 per person and I know will be worth every penny. You can sign up on line or call and let us know here at the church. We will also have a sign-up sheet here in the foyer Sunday morning.

I will finish by saying, let us not rest and become complacent but keep looking forward to the wonderful things that God wants to do here at Calvary! He freed our budget for a purpose, and He's freed our souls for a purpose! Let's all look up, pray fervently, and work with anticipation to see what great things God will do in our community!

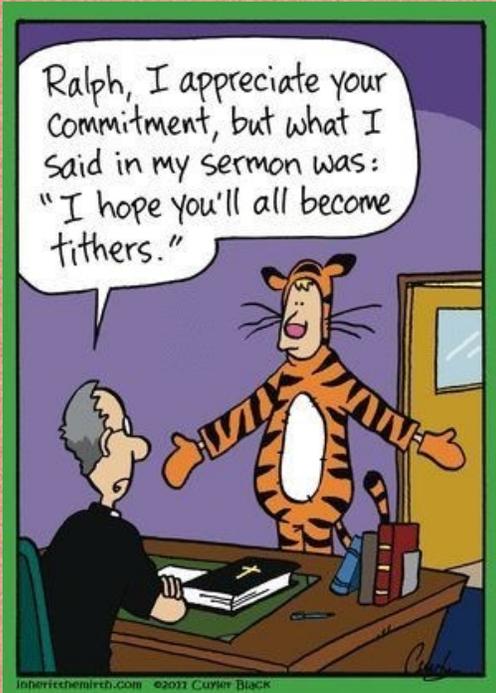

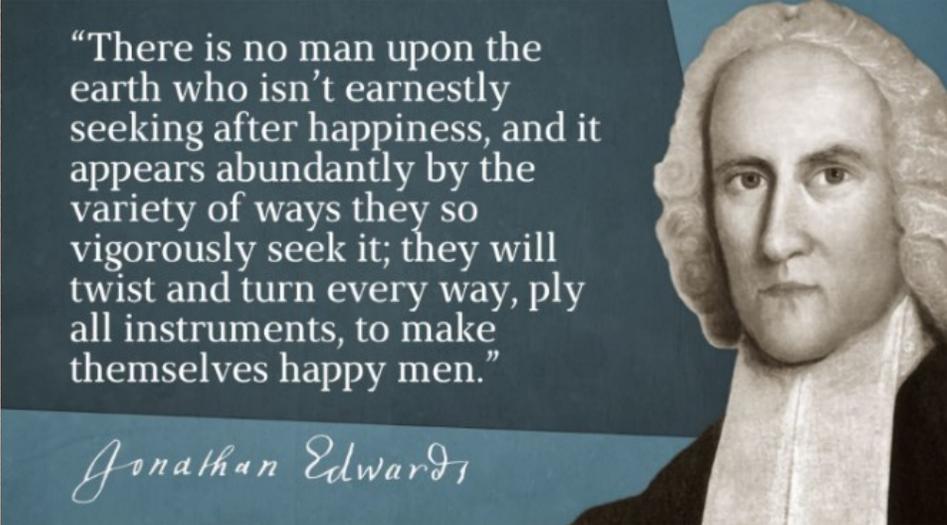

Because of Him,
Bro. Dennis

I Timothy 4:8
"For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come."

Bible study is the metal that makes a Christian. This is the strong meat on which holy men are nourished. This is that which makes the bone and sinew of men who keep God's way in defiance of every adversary.
