****We love social media and encourage students to post their positive experiences from this weekend online as a testimony. We may even use cell phones sometime during the weekend with games and challenges. However, mobile devices can be a distraction during times of worship, discussion, and study, so please stay off of them during these times or they will be taken up. Cell phones will be placed in a safe area at lights out and can be retrieved in the morning. If taken students will receive their devices back Sunday morning. There are no exceptions to this policy. Parents may contact Hosts and Leaders in cases of emergency. If hosts disallow certain snacks, please respect their wishes—we all know Flaming Hot Cheetos stain fingers, faces, and fabrics, right?**
